FEMA TRAINING REQUIREMENTS

(NOT REQUIRED FOR HAM WATCH)

KEEP THIS SHEET FOR YOUR RECORDS

Following a FEMA and State mandate, Clallam County Emergency Management Department **requires** the following training of all CC-ARES volunteers for duty in the County Emergency Operations Center (EOC) and Emergency Communications Centers (ECC), i.e. Sequim, Diamond Point, Port Angeles, Forks, the Hospitals and others.

The training courses are FREE, self-paced and on the internet at the Emergency Management Institute site: http://training.fema.gov/IS/crslist.asp

The courses (in order of accomplishment) are:

IS-100.b Intro to Incident Command   DATE COMPLETED: _____

IS-700.a Nat'l Incident Mgmt System   DATE COMPLETED: _____

IS-200.a Incident Command System   DATE COMPLETED: _____

IS-800.b National Response Plan   DATE COMPLETED: _____

At the completion of each ICS course test, you will receive an email from the Emergency Management Institute containing a link to download your Completion Certificate document in PDF form. You should download and print your Completion Certificates provided by the Institute.

Forward the email containing the link to your certificate of completion to the EMD in the Courthouse, Attn: Penny Linterman at plinterman@co.cllallam.wa.us .

ALSO forward the email containing the link to to the ARES New Member Coordinator, Bruce Reiter, KD7WBM at brewkatrit@aol.com.

Please note that membership in ARES requires participation in drills, emergency activities and meetings, as well as capability checks and possession of equipment kits, which are required for deployment. Excuse from activities requires prior notification to an ARES official.
